Foxford Learning Plan

YEAR 11

Topic: Health & Social Care

Summer 1

Key Vocabulary

Empowering and promoting independence	Making someone feel in control of their life and having control over choices that are made
Respect	Considering others' feelings and treating them in a courteous way
Confidentiality	Keeping information private such as written information/personal data and not repeating private conversations to others.
Preserving dignity	Considering others' feelings and respecting their self-worth. Treating others with respect in tasks that they are unable to do for themselves such as getting dressed
Safeguarding	Keeping people safe from harm to either themselves or others
Duty of Care	Not putting individuals at risk of any harm
Anti-discriminatory practice	Valuing every individual regardless of their differences and treating them with the same level of care and respect

Key Skills

Over the course of the topic, I will be able to: -

- Demonstration and application of the care values
- Communication skills – verbal and non-verbal communication
- Analytical skills within the review of your role-play

I will Understand

1. The 7 Care Values
2. How to demonstrate and apply the values in a role-play interaction
3. What my strengths and areas for development are following my role-play performance
