Foxford Learning Plan

YEAR 13

Topic: Health & Social Care

Summer 1

Key Vocabulary

CQC	Care Quality Commission
PHA	Public Health Authority
Regulator	On organisation or body that oversees a particular aspect of care services
Role	The position or purpose that someone or something has in a situation, organisation, society, or relationship
Responsibility	Something that is your job or duty to deal with
Duty	Not putting individuals at risk of any harm

Key Skills

Over the course of the topic, I will be able to: -

- Demonstrate knowledge of service user needs, roles and responsibilities of workers, and working practices within the health and social care sector
- Demonstrate understanding of service user needs, roles and responsibilities of workers, working practices and procedures in the health and social care sector
- Analyse and evaluate information related to the roles and responsibilities of health and social care workers and organisations and how workers and organisations are monitored and regulated
- Make connections between the roles and responsibilities of health and social care workers and organisations, how workers and organisations are monitored and regulated and how multidisciplinary teams work together to meet service user needs

I will Understand

1. The roles of people who work in Health and Social Care settings
2. The responsibilities of people who work in Health and Social care settings including specific responsibilities
3. How multidisciplinary working works in Health and Social care settings
4. How work is monitored in Health and Social Care settings
5. The roles of organisations in providing health and social care services
6. The roles of organisations that regulate and inspect health and social care services
