Foxford Learning Plan

YEAR 7

Basics of Art

Autumn 1

Key Vocabulary

Proportion	Size and shape of an object
Composition	How the elements/ parts are arranged
Tone	Lightness/ darkness of colour
Value scale	The range from
Directional shading	Applying tone to follow the shape of the object e.g. shading in a curved shape for a circle
Blending	Merging two tones/colours to create a gradual transition

Key Skills

Over the course of the topic, I will be able to: -
To develop drawing skills through observational sketches
to investigate and experiment with the application of tone using pencil grades and chalk and charcoal
To experiment with mark making tools and ink
To develop an ink and mark making observation

I will Understand

1. How to successfully use proportion and detail to create an observational drawing
2. How to successfully apply and blend various pencil grades to create tone
3. How to layer and blend chalk and charcoal together to create gradual tone
4. How to create the illusion of texture
