Dear Parents / Carers

### **Ofsted Inspection of Foxford School – December 2022**

As you are aware we had an Ofsted inspection in December 2022, it is with enormous pleasure that I write to share the fantastic news that our school has been rated 'Good' by Ofsted. I am delighted that the hard work undertaken by the Foxford staff and our Trust has been recognised, including the comments regarding our work on curriculum, high standards and expectations, the effective systems in place and the SEND strategies which leaders have created.

The report itself is very detailed and highlights the many elements of effective provision at Foxford as well as the next steps needed to take the school forward. We continue to drive our school improvement forward and are very excited about our next steps. Please take the time to read the inspection report in full as it evidences that the school is not only good, but one that continuously strives to improve and excel.

We could not have achieved this without your support and I would like to take this opportunity to thank all of you, your fantastic children and our dedicated staff for their hard work and commitment, which has helped to make Foxford such an amazing place to learn, work and succeed.

The report, which is attached, will also be accessible via the school website today and published on the official Ofsted report website, within the next week.

Yours faithfully
