FOXFORD
Community School

8 September 2025

Dear Parents / Carers

I am delighted to welcome you all back to a brand-new academic year at Foxford School. The energy and enthusiasm around the school during the first week was truly inspiring, and it has been a pleasure to see our students return looking so happy, confident, and smart in their uniforms. Their positive start has set exactly the right tone for the months ahead.

As you may have heard last year's GCSE results were the best Foxford has ever achieved! Our students truly deserved their amazing grades. Foxford are placed in the top 10 secondary school in the city with our English and Maths results. Something we are very proud about.

Our staff have returned with renewed energy and determination. They are eager to provide high-quality lessons, to challenge, inspire, and support your children, and to continue building on the many successes of last year. There is a real sense of purpose and optimism across the school, which I am confident will translate into strong progress for our students.

A particular highlight last week has been welcoming our new Year 7 cohort. They have already shown themselves to be an impressive group of young people. On Thursday and Friday, they took part in their very first Say Yes to Learning conference. We were especially impressed with their oracy skills and the confidence with which they expressed themselves. It was wonderful to see them engaging so thoughtfully with their learning from the very start of their Foxford journey.

Looking ahead, we have an exciting term planned, filled with opportunities both inside and outside the classroom. From academic challenges to enrichment activities, we want every student to find their place, to develop their talents, and to believe in themselves as learners and as individuals. Our commitment remains to ensure that every child feels valued, supported, and encouraged to aim high.

In the coming week, Year Leaders will be sending out bulletins to keep you up to date with key dates, events, and year-group priorities. I hope you find these communications useful in supporting your child's school journey.

Thank you, as always, for your continued support. Together, we can make this year another truly successful and memorable one for every student at Foxford.

Yours faithfully

A. Gallagher
