Tuesday 30 September:
Year 8 Welcome Evening

Thursday 2 October:
Open Evening (school finishes at 2.15 on this day for all students)

Friday 3 October:
Year 7 100 hours celebration in school during Lesson 5

September in Review

What a start to the new academic year! All year groups have been back for a few weeks now and are showing themselves to be a real credit to the school.

Students have adapted well to the changes we have made regarding the school day, including the change of gates for older students and the line ups we are doing at the beginning and in the middle of each day.

In lessons, students have been working hard to show their teacher what they can do.

I have personally had the pleasure of visiting classrooms on a daily basis and have seen, first-hand, the progress that students are already making.

I know that many of you joined us for our information evenings this month and we are looking forward to seeing all of you at the parents evenings we have coming up for every year group.

With mock exams on the horizon for Years 11 and 13, we have a busy month ahead!

Thank you for your continued support.

Spotlight

This month, students in all year groups have been following our PSHCE curriculum during tutor time.

Topics including careers and aspirations have involved all students using UniFrog to build their own personal profile. This enables them to track skills for their future destinations, allowing them to take control of their own development.

As parents/carers you should already have a login for UniFrog so that you can check what your child has been working towards and support them with their aspirations for the future.

If you would like more information, please use the Careers Advice and Guidance email address below.

Attendance Matters

Students who attend school for 95% of the year are almost twice as likely to achieve Grade 5 in subjects at GCSE.

Please support your child by ensuring they are in school every day!
