Flu vaccinations (Years 7-11)

Wednesday 19 November:
Year 12 Coventry University visit with campus tour and taster sessions

Thursday 20 November:
M Path workshop in school to support students with confidence and expression in the modern world

Autumn Term 2

On Friday, Miss Denousse and a team of student volunteers took 17 boxes of essential goods, including food and toiletries, to Coventry Food Bank.

The goods were donated by staff, students and their families over the past two weeks and the generosity on show was truly inspirational.

Students from various year groups went to the food bank with school staff to physically hand over the donations and received a tour to see the great work that the volunteers do for their community.

The benefits for students that get involved in this sort of charity event are so great. Their dedication and kindness reflects the strong sense of compassion and teamwork that we have across our school.

Miss Denousse is planning another collection for Christmas and we will be organising regular donation points throughout the year, going forward.

A box is now located in school reception if any families wished to donate when they visit school- everything helps so please do give generously.

Spotlight

This week, our Year 11 students received their mock exam results. They had a formal assembly to talk through what the results mean to students and also to make sure that they know what to do to make improvements in each subject area.

So many of our students did much better than they expected but the real reason why we do mock exams is to identify areas that could be better. Students and staff will be working hard over the coming weeks to focus on key areas identified in those exams.

At home, please do talk to your Year 11 child to make sure they are sharing their successes and the areas they need to focus on the most.

Attendance Matters

Poor school attendance stands out to colleges, universities and employers as it can suggest students are unreliable. Please ensure that you attend school every day- it **does** affect your future!
