FOXFORD

HEADTEACHER BULLETIN

1 December 2025

Mr. Jordan - Associate Headteacher

Autumn Term 2

On Wednesday, we interviewed a number of Year 12 students who had applied to be Sixth Form Student Leaders.

We have successfully appointed eight students to the positions so huge congratulations to Tia, Maria, Siv, Jasleen, Parmeet, Niamh, Yahya and Zariya who all gave excellent answers to some challenging questions about why they would be suited to the role.

The interviews were very competitive as the field of those who applied for the opportunity was so strong.

Student leaders had to express how they were able to take initiative, inspire others and create a positive change.

Leaders are expected to take responsibility, make difficult decisions and work collaboratively.

All of these skills contribute towards students being able to demonstrate wider contribution to the life of the school and their local community in preparedness for university or a high quality alternative.

Well done Year 12!

Notices

Thursday 4 December:
Year 11 Parents Evening (Sports Hall)- please remember that school will finish on this day at 2.40/2.45pm for all students, which is usual for all parents evenings at Foxford.

Friday 5 December:
School is closed to all staff and students on this day

Spotlight

On Monday, 15 Year 10 students took part in an exciting Discovery Insight Day with Severn Trent, where they explored a range of hands on workplace activities showcasing the diverse roles within the organisation.

Students completed five engaging activities, including fixing a burst water pipe, water sampling and team building challenges.

Throughout the day, they strengthened key employability skills such as teamwork, resilience and communication whilst gaining valuable insight into opportunities within the water industry.

As always, the students involved were excellent representatives of the school.

Attendance Matters

Regular attendance helps students to develop positive relationships with their peers and a sense of belonging, which is vital for mental health and wellbeing.
