Wednesday 28 January:
Year 8 'Tech She Can' event

Thursday 29 January:
Sixth Form parents evening- please ensure that you have made appointments with all teachers.
Please note that there is **no early finish** to the normal school day for this event

Spotlight: Year 11

On Tuesday, Year 11 students had their bespoke Say Yes to Learning session, which focused on 'Turning Revision Into Results'.
The aim of the session was to reassure Year 11 students that they have the skills to revise effectively- a booklet was produced and handed to all students, supported by an emailed version for all parents/carers.
All year 11 students will be having their mock exams over the next two weeks, starting on Monday 2 February. The schedule for these exams will be out with students and will also be sent to parents/carers in the next couple of days.
If you need any more information, please contact the Year 11 team.

Spring Term 1

Last week, all Year 12 students attended their work experience placements, providing them with an excellent insight into how the workplace operates and how they might fit into it.
Work experience is an essential part of Sixth Form life at Foxford as it helps the students to focus on where they want to be and what they want to do in the future.
Thank you to all parents/carers of Year 12 students for supporting them through this, especially given recent circumstances.

We were overwhelmed by the support of the local community in offering placements to our Year 12 students.
Local providers included primary schools, health care centres, shops and Coventry City Council services.
Some of our students went further afield, to businesses such as jewellers, beauty salons, accountants, building merchants and IT services.
Well done to all Year 12 students- the feedback we have had has been excellent. As a school, we have new contacts for future years.

Attendance Matters

Regular attendance helps students to develop positive relationships with their peers and a sense of belonging, which is vital for mental health and wellbeing.
