FOXFORD

HEADTEACHER BULLETIN

2 February 2026

Mr. Jordan - Associate Headteacher

Spring Term 1

On Thursday of last week, we invited Headteachers from 16 secondary schools from around the Midlands to see everything we do at Foxford. The purpose of this visit was to share good practice and also celebrate the achievements of our staff and students.

The focus of the day was the provision we are putting in place for our most disadvantaged students, particularly what they are experiencing in the classroom.

We have presentations from leaders in school that covered each of our Trust ambitions: reading, oracy, digital creativity, impactful teaching, aspirations and achievement.

Our visitors were then invited to go round lessons and see the strategies we have in place, in action. During these lesson visits, they looked at student work, spoke to the students themselves and took away ideas that they can start to implement in their own schools.

I am pleased to say that the feedback was excellent and that Foxford is clearly leading the way in our inclusive classrooms.

Notices

Monday 2 February:
Mock exams for Year 11 for two weeks- please check timetables

Wednesday 4 February:
Year 9 WMG Industry Day

Thursday 5 February:
Year 9 parents evening- please remember to make appointments online- this will take place in the refectory so please use the far entrance to school

Spotlight

If you have been into school reception recently, you may have noticed that we have a new addition. We have a permanent stand for items to donate to the local food bank.

If you are in a position to add to our food bank items at any point, please just drop them into reception and we will make sure that they are delivered to the right people.

In terms of what they need- any toiletries or non-perishable food items that are in date and in shop bought condition. We can't accept open packets or anything that has been previously used.

If you are buying specifically for the food bank, smaller packets or quantities are better than large packs but really anything is well-received! Thank you.

Attendance Matters

The transition to secondary school fosters a sense of accountability and requires students to manage their own time, equipment, and learning. **School attendance is more than grades!**
