FOXFORD
Community School

22 May 2026

Dear Parents/Carers

I am writing to share some important and very positive news regarding the leadership of Foxford.

Following a robust and highly competitive two day headteacher interview process, I am delighted to inform you that from 1 September 2026 we have appointed Mr Thomas Jordan as our new Headteacher.

The selection process attracted a strong field of candidates and was rigorous in nature. Over the two days, candidates engaged with students, staff, and colleagues from across our Trust. We were incredibly proud of the thoughtful contributions from everyone involved, particularly our students, who participated with maturity and insight throughout.

After careful consideration, it was a unanimous decision that Mr Jordan is exceptionally well placed to lead Foxford into its next stage. Throughout the process, he articulated a clear and ambitious vision for the school, outlining a range of new initiatives with a strong focus on enhancing students' experiences and improving outcomes for all.

Many of you will already know Mr Jordan, as he has been a valued member of the Foxford community since 2019. During this time, he has demonstrated a deep understanding of our students, our values, and the community we serve. This experience, combined with his passion and strategic vision, gives us great confidence in his ability to build on our strengths and lead the school forward.

Mr Jordan shared the following message:
I am delighted to have been appointed as Headteacher of Foxford from September. I have been working alongside Mrs Gallagher as Associate Headteacher for nearly two years and have built up a solid foundation of skills that I will use to best support the students in our care. Since joining Foxford in 2019, I have seen many changes and have built up strong relationships with staff, students and their parents/carers.

I am not intending to make sweeping changes but I do recognise that there are areas that will look a little different in September- I will be in touch with details about these soon. I will, of course, seek the opinions of all stakeholders throughout my Headship.
