Key Skills

Over the course of the topic, I will be able to: -

- Describe what healthy and unhealthy daily routines look like
- Talk about mealtimes and how often you eat or drink something
- Use the imperfect tense to describe old habits and ***ya no*** to say what I no longer do
- Talk about illness and describe symptoms
- Talk about future plans for health and well-being using sí (if) clauses with the future tense

I will understand: -

- Descriptions of lifestyles referring to three different time frames
- Use reflexive verbs to describe my daily routine
- How to use the imperfect tense to describe what my daily routine and life-style used to be like
- How to create more complex phrases saying what you will do if...
