Key Skills

Over the course of the topic, I will be able to: -

- Talk about how I use technology in my daily life.
- Give opinions about what I do on my mobile and why.
- Use connectives and frequency phrases to add detail.
- Say what other people do with technology using the 3rd person.
- Use purple phrases make my written and spoken work more interesting.

I will understand: -

- How to describe what I do online and on my devices.
- How to give and explain opinions about technology.
- How to use regular present tense verbs accurately.
- How to link ideas with connectives and intensifiers.
- Cultural links: how young people in Spain use technology.
